

MENGOT DURAN

FRONT END DEVELOPER

PROFILE

Programmer with over 2 years of experience providing support to over 50 other members and interfacing with facility management and IT. I possess strong multi-tasking skills, with ability to simultaneously manage several projects and schedules. Excellent public-facing point person for clients, customers, vendors and equipment and service providers. Tech savvy and efficiency focused.

EXPERIENCE

FRONT END DEVELOPER AT FIVERR AND UPWORK

NOVEMBER 2022-PRESENT

I have been building websites for a year now with utmost efficiency and accuracy. My major role is to satisfy my customers what ever it takes and make sure they have the best of what they are asking for.

GRADUATE AT SCRIMBER.

SEPTEMBER 2022-PRESENT

Before I got to scrimba I struggled on my own due to the passion I have for programming. At first it was a night mare but as days went by and I kept up with the consistency things became clear and easier. Thing then I joined Scrimba and they helped me in becoming better
